Experience

Full-Stack Developer & Operations
Baltimore Re-Construction, LLC

Oct 2025 to Present
Remote, Baltimore, MD, USA

- Develop and maintain the BRC Client Portal with React Router, TypeScript, Cloudflare Workers, Neon/PostgreSQL, and Drizzle ORM for managing clients, projects, files, material selections, contracts, notifications, and communication.
- Built and maintain the company website, including content updates, technical SEO, Cloudflare deployments, and its Google Business Profile.
- Support daily operations by organizing spreadsheets, documents, and information related to clients, projects, materials, and estimates.

Freelance Web Developer
Self-Employed

Apr 2025 to Present
Remote, Brazil

- Build responsive websites and web applications for professionals and small businesses using React, Next.js, TypeScript, and Tailwind CSS.
- Gather requirements, define scope, implement revisions, and deploy projects to Vercel.

Software Development Intern
Trail Dev

Mar 2025 to Jul 2025
Batatais, SP, Brazil

- Rebuilt a Ruby on Rails website in Next.js for Pluralsign while preserving its existing pages and functionality.
- Updated content and frontend components on Inovaice's Strapi-based website.

Projects

BRC Client Portal | *React Router 7, TypeScript, Cloudflare Workers, Neon Postgres, Drizzle ORM*

- Built and maintain an application for managing clients, projects, phases, files, comments, material selections, contracts, notifications, and communication.
- Integrated Ably for real-time updates, SignWell for contract signing, LiveKit for a voice-call prototype, and PostgreSQL storage through Neon and Drizzle ORM.

Kiromilog | *Next.js 16, TypeScript, Neon Postgres, Drizzle ORM*

- Built a social anime and manga tracker with lists, favorites, search, profiles, follows, messaging, avatar uploads, authentication, and external API integration.

Ana Zabala Portfolio | *Next.js, TypeScript, Tailwind CSS, Vercel*

- Built a responsive portfolio for an independent architect to present her work and support client inquiries.
